

CALL FOR PAPER

Journal of System and Management Sciences (JSMS) (ISSN:1816-6075) aims to provide a refereed and authoritative source of information in the field of system and management sciences. *JSMS* is seeking to establish channels of communication between government departments, industrial executive and academic experts in the field. The language of *JSMS* is English.

The objectives of *JSMS* are to develop, promote and coordinate the theories and practice of system and management sciences. It also aims to help professionals working in the field, engineering and business educators and policy-makers to contribute, to disseminate information and to learn from each other's work. *JSMS* emphasizes on its international dimension in order to overcome cultural and national barriers and to meet the needs of accelerating global changes in a globalization age.

JSMS publishes original papers, review papers, technical reports, case studies, conference reports, management reports, book reviews, notes, commentaries, and news. Special Issues devoted to important topics in system and management sciences will occasionally be published.

Commentaries on papers and reports published in *JSMS* are encouraged. Authors will have the opportunity to respond to the commentary on their works before the entire treatment is published. Contribution may be by submission or invitation, and suggestions for special issues and publications are welcomed.

Potential topics include:

- *Management Information System
- *Information Technology & Management
- *E-Commerce & E-Business
- *Decision Support System
- *Expert System
- *Knowledge Management
- *Operation Research and Operation Management
- *System Engineering

*Business Process Re-Engineering & Modeling

*Logistics & Industrial Engineering

*Supply Chain Management

*Manufacturing System Management

All papers are refereed through a double blind process. A guide for authors, sample copies and other relevant information for submitting papers are available on the Papers Submission section of the journal's homepage. Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Our online submission site is under construction, before that, an alternative is that you may send your manuscript (in PDF or Word format) to Dr. Tang, Mincong (mincong@bjtu.edu.cn), who is the executive editor of JSMS.

* Submissions will be extensively refereed by two reviewers and an Editor.

* Please feel free to contact Dr. Tang, Mincong (mincong@bjtu.edu.cn) with queries relating to the coming Issue.

* To enlarge the international coverage of papers and editors, scholars and researchers in related areas are welcomed to join the editorial board, for those who are interested in it, please contact with me or Dr. TANG, Mincong. All editors will have 1-2 copies for each issue of JSMS.

* NO fee is required for any paper accepted and 1-2 hard copies will be sent to the author(2) on demand.
